10 TIPS TO KEEP YOUR LUNGS HEALTHY

Our mission is to save lives by improving lung health and preventing lung disease.

1. See a doctor if you cough often or get breathless after mild exertion.
2. Get an annual flu shot.
3. Keep your car well-tuned to cut down on pollution.
4. Check your home for radon or other pollutants.
5. Minimize hazards such as chemical fumes.
6. Avoid secondhand smoke.
7. Be a nonsmoker.
8. See your doctor regularly if you have asthma.
9. Take all medications as prescribed.
10. Make sure your children have all their shots.
