TASK DETAILS:

You will be assigned to monitor a specific intersection along the Trek route each day to guide cyclists through intersections and to alert traffic of oncoming cyclists. You will be provided with safety vests and stop/go signs to assist you with visibility and awareness.

Your volunteer lead will drive by you to deliver your volunteer lunch (if applicable), safety vest, stop/go sign and any other supplies you may need. Please wear comfortable shoes, as you may be standing for extended periods of time.

WHEN YOU ARRIVE AT THE TREK:

As a route marshal, your volunteer check-in materials will be mailed to you prior to the Trek. You will receive the following items: t-shirt, name badge, route map, detailed assignment sheet, and route marshal safety guide.

On your first scheduled day of volunteering, please follow these steps:

1. Report directly to your assigned intersection.
2. Find a safe place to park your vehicle and position yourself in a safe, visible location at your intersection.
3. Volunteer lead will drive by to drop off your safety vest and signs.
4. When the last trekker has passed by your intersection, the Route Sweep volunteer will drive by and inform you that you are free to leave your post for the day.

***If you are staying overnight at the Trek, please travel to fixed facility for the night (UMF or Colby College) to receive your overnight accommodation assignments. You will receive a campus map with your rooming assignment indicated on the map.**
