

Connecticut Thoracic Section

(Formerly Connecticut Thoracic Society)

The American Lung Association of New England's
Medical & Scientific Branch

- Join a prestigious community of health professionals working in pulmonary, critical care and sleep medicine.
- Ensure access to quality educational activities including the CTS Annual Meeting & Scientific Sessions.
- Access the latest health professional news, tools and resources.
- Support local research endeavours.
- Exchange ideas, information and best practice with a large interdisciplinary health professional membership.
- Support the American Lung Association of New England and become involved in public policy efforts in Connecticut to promote lung health.

Membership Application

The Connecticut Thoracic Section (CTS)

of the American Lung Association of New England's Medical & Scientific Branch was formed in 1950 as the Connecticut Trudeau Society and later became the Connecticut Thoracic Society.

The Medical & Scientific Branch provides expert input into the American Lung Association's mission-related work in New England, works to improve patient care through continuing medical education and supports local and national lung disease research.

WHO SHOULD JOIN?

- Pulmonologists • Allergists • Sleep Specialists
- Intensivists • Respiratory Therapists • Certified Asthma Educators • Primary Care Physicians
- Thoracic Surgeons • Pulmonary and Critical Care Fellows • Nurses • Pediatricians • Research Scientists • Medical and Nursing Students • Tobacco Treatment Specialists • Pulmonary Rehab Specialists

MEMBERSHIP BENEFITS

- Access to accredited educational activities including the Annual Meeting & Scientific Sessions.
- Meeting, training course and conference notices with member discounts on selected event registration fees.
- News, updates, web resources, research opportunities and health professional tools from the American Lung Association of New England's Medical & Scientific Branch.
- Have a voice in American Lung Association public policy initiatives and join the e-advocacy network.
