

# 2<sup>ND</sup> Annual *Bowling for Better Breathing*

## A Fundraiser Benefiting Champ Camp

Profits from ***Bowling for Better Breathing*** will fund full and partial scholarships for children and adolescents to attend Champ Camp, Colorado's longest-running weeklong summer camp for children ages 7-14 with asthma. These scholarships create an opportunity for young people, regardless of family income, to learn how to manage their asthma and empower them with the knowledge and tools needed to make important decisions to control their asthma.

Your generosity will extend beyond the week of Champ Camp and will help to make a significant difference in the community. With every contribution we are one step and one breath closer to achieving our mission. Please join us for this fun-filled event!!
