The American Lung Association is Fighting For Air!

And we're fighting for you, your family, and your community.

We have made a new commitment to fight for clean air and lung health, and we need your help in raising funds. Therefore, in addition to the registration fee, there is a

\$65 required pledge raising minimum.

This year, we may reach the maximum number of climbers we can safely handle in the building, and there is an urgent need to raise more funds as we increase our efforts in protecting children from tobacco, keeping Colorado's air clean, and funding vital research.

In return for collecting at least the minimum pledge, you will get:

- The opportunity to participate in one of the most unique events in Denver
- A signature event t-shirt
- A complimentary post-event party!
- Weekly emails with training tip, fundraising ideas and much more.
- More prizes, such as Runner's Roost gift cards and Colorado Mammoth tickets for other fundraising levels

Thank you for your support of this very important cause!

I hereby certify that I read, understand and agree to the fundraising minimum for the 2012 Anthem Fight for Air Climb. I also understand that my pledges of \$65 or above need to be turned in by February 26, 2012
