

March 4, 2012 Renaissance Center Detroit, Michigan

More than a walk, more than a run...go vertical for a unique challenge!

The Fight for Air Climb is a unique event in which individuals and teams race, run or walk up the 1,035 stairs to the top of the Renaissance Center. Create a team of friends, family or co-workers and compete together. Whether your goal is just to reach the top or to be the first to cross the finish line—you will walk away with new respect for your lungs.
