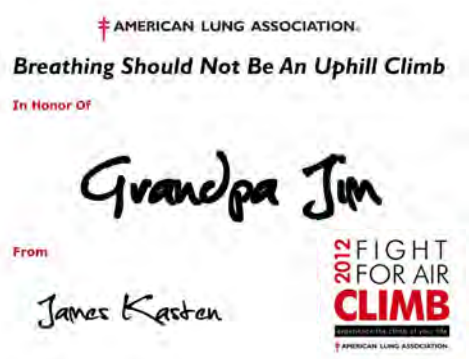
2012 FIGHT FOR AIR CLIMB

experience the climb of your life

AMERICAN LUNG ASSOCIATION.

Stairwell Sign Order Form

STAIRCLIMB EVENTS are sweeping across the country and making their mark worldwide. From Australia to the Czech Republic and from the West to the East Coast, you'll be sure to find one on any given weekend. The event is seeing tremendous success because of its uniqueness and its test of one's physical strength, stamina and lung power. At the start line, you'll find marathoners looking for a new way to challenge themselves, corporate executives climbing to build camaraderie within their office, couch potatoes wanting to kick-off the new year by getting in shape, and a family tackling the stairs in honor or in memory of someone affected by lung disease.



Purchase a "Breathing Should Not Be An Uphill Climb" sign for $15. These will line the stairwells and honor those we know and love affected by lung disease.

You do not need to be present or a participant in the climb to purchase a sign, but of course everyone is invited to register or form a team.

Please fill out exactly how you would like your sign to read.

"Breathing Should Not Be An Uphill Climb"
