

#DYK: Our school is Now Tobacco-Free

Our school has recently gone tobacco-free – which means that no student, staff member or visitor will be allowed to use any tobacco product on our campus at any time. This includes, but is not limited to:

- Cigarettes and E-Cigarettes
- Cigars and Cigarillos
- Hookahs
- Smokeless Tobacco

Be the leader for a healthier school:

1. Visit **Lung.org/CVS** for easy ways to help your community go tobacco free.
2. If you, or someone you know, wants to quit smoking, check out **Lung.org/CVS** for discounts on quit smoking resources.
3. Follow **@LungAssociation** on Snapchat, Instagram, Twitter and Facebook to keep you up-to-date on tobacco-free policies and programs.

Bad breath,
smelly clothes,
yellow teeth –
tobacco in any
form is not
attractive.
