

**DID
YOU?
KNOW.**

By August of 2018, HUD will require every public housing agency to have a smoke-free policy.

THAT MEANS:

Smoking will not be allowed in

- ❑ your unit
- ❑ common areas
- ❑ administrative office buildings
- ❑ and outdoor areas within 25 feet of those areas.

We know this may greatly affect you and your loved ones. Let us help you address tobacco use in your home. People who smoke and seek help decreasing tobacco use through programs and medication have a better chance at succeeding.
