Tell Congress:

No Backroom Deals for Tobacco and Polluters

Call-In Day Wednesday, September 7, 2016

Some Members of Congress want to weaken important public health safeguards that protect kids from tobacco and clean up our air. Please join us on Wednesday, September 7 in calling Congress and telling them to oppose backroom deals that will benefit polluters and the tobacco industry at the expense of our health.

Please call Congress to oppose these backroom deals and stand up for our health.

Calls to Congress should be placed from 9 am – 5 pm EDT on Wednesday, September 7, 2016. Please visit lung.org/nobackroomdeals on September 7 for more information and for talking points.
