Visit HealthCare.gov to sign up for quality and affordable health insurance for 2021.

Most people who sign up for health insurance on HealthCare.gov get help paying for their health insurance. Over 80% of people who enroll in Marketplace plans are eligible for financial help.

Why should you shop for health plans on HealthCare.gov? Plans found on HealthCare.gov cover essential health benefits like hospitalizations and prescription medications, cap your out-of-pocket costs, and they won’t charge you more for a preexisting condition.

Do you or a family member need medications or treatment for a lung disease? Learn more about coverage for people with lung disease at Lung.org/openenrollment.
