COVID-19, Asthma, Allergies and Schools: Let's Chat *an open forum to ask questions*

featuring **Andrea A. Pappalardo, MD | UI Health | Chicago**

Dr. Andrea A. Pappalardo practices Allergy-Immunology at UI Health. She specializes in the care of adults and children with asthma and allergies. Dr. Pappalardo works with her patients to find the best, most comprehensive approach to their medical care, and she believes that the family, physicians, and medical neighborhood should work together in addressing allergy and asthma problems. Dr. Pappalardo is an allergist and the Medical Director of the Mobile Care Chicago Asthma Van which provides free allergy and asthma subspecialty care in front of Chicagoland schools. She recently received a grant to support stocking albuterol for children with asthma in Illinois schools from the American Lung Association.

Come join us for an “Ask the Doc” format where you will learn about asthma management and be able to ask your questions to Dr. Pappalardo.
