

Enroll in Quality and Affordable Healthcare

Sign up for coverage from November 1 - January 15.

Visit [HealthCare.gov](https://www.healthcare.gov) to sign up for quality and affordable health insurance for 2024.

Most people who sign up for health insurance on [HealthCare.gov](https://www.healthcare.gov) get help paying for their health insurance. Four out of five people who enroll in Marketplace plans can find plans that cost less than \$10 a month.

Why should you shop for health plans on [HealthCare.gov](https://www.healthcare.gov)? Plans found on [HealthCare.gov](https://www.healthcare.gov) cover essential health benefits like hospitalizations and prescription medications, cap your out-of-pocket costs, and they won't charge you more for a preexisting condition.

Do you or a family member need medications or treatment for a lung disease? Learn more about Open Enrollment for people with lung disease at [Lung.org/openenrollment](https://www.lung.org/openenrollment).

How to sign up for healthcare or learn more about open enrollment and financial assistance:

Plans and pricing change every year. Even if you had health insurance through the Health Insurance Marketplace in 2023, you should still shop around on the Marketplace to find the best plan for you for 2024.

If you currently have Medicaid, make sure they have your current contact information. If you recently lost Medicaid coverage and believe you are still eligible, contact your state Medicaid program as soon as possible to have your case reconsidered, appeal or reapply.
