INDEPENDENT AUDITOR'S REPORT

The Board of Directors
American Lung Association of California
Oakland, California

We have audited the accompanying statements of financial position of American Lung Association of California (a Nonprofit Organization) as of June 30, 2008 and June 30, 2007, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of American Lung Association of California's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Lung Association of California as of June 30, 2008 and June 30, 2007, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 20, 2008 on our consideration of American Lung Association of California's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of American Lung Association of California taken as a whole. The supplementary information on pages 17 through 34 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Also, the accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

Oakland, California

**AMERICAN LUNG ASSOCIATION OF CALIFORNIA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2008**

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The American Lung Association of California (ALAC) is a not-for-profit voluntary health agency dedicated to the conquest of lung disease and the promotion of lung health. ALAC conducts programs to inform the public of environmental health issues, smoking and health hazards, lung disease and community health in the State of California. The sources of ALAC's income are from shared income of affiliates, public donations and government grants.

Effective July 1, 2006, the American Lung Association and its six affiliates merged into one Statewide Organization. The six affiliates were:

American Lung Association of Central California
American Lung Association of the East Bay
American Lung Association of Inland Counties
American Lung Association of Orange County
American Lung Association of San Diego/Imperial Counties
American Lung Association of Santa Barbara/Ventura Counties

The American Lung Association of California (Federal Employer Identification Number 94-0362650) is the survivor corporation. A merger agreement has been filed with and certified by the California Secretary of State. The new organization, which has offices throughout California, now operates under one board, one consolidated budget, and one Executive Officer. All finances have been consolidated under the direction of the State Organization.

ALAC includes the following components:

- California Thoracic Society (CTS), the medical section of ALAC.
- Service Area One comprises of offices located in Emeryville and Santa Rosa.
- Service Area Two comprises of offices located in Bakersfield, Chico, Fresno, Sacramento and Stockton.
- Service Area Three comprises of offices located in Los Angeles, Santa Barbara, Santa Monica and Ventura.
- Service Area Four comprises of offices located in San Diego, Santa Anna and San Bernardino.

Inter-organization receivables, payables, revenues and expenses are eliminated in combining the financial statements.

A. Basis of Accounting

The financial statements of American Lung Association of California have been prepared on the accrual basis of accounting.

B. Financial Statement Presentation

Financial position and activities of ALAC are presented according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. A statement of cash flows is also presented.

The costs of providing the various programs and other activities of ALAC have been summarized on a functional basis in the statements of activities and functional expenses. Expenses that can be identified with a specific program and support services are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated by using consistent allocation percentages which management believes reflect actual time spent by employees or benefits received from expenditures.

C. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Concentration of Cash

ALAC maintains its cash balances in financial institution located in Northern California. Accounts at the institution are insured by the Federal Deposit Insurance Corporation up to \$100,000. At June 30, 2008, bank balances before reconciling items were \$818,362 of which \$100,000 was insured. It is the opinion of the management that the solvency of the financial institution is not of particular concern at this time.

E. Property and Equipment

Property and equipment are recorded at cost, if purchased. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purchase. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, ALAC reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. ALAC reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method.

ALAC follows the practice of capitalizing, at cost, all expenditures for property, furniture and equipment in excess of \$2,000. Depreciation is computed on a straight-line basis over the estimated useful lives of all assets ranging from 3 to 50 years.

F. Investments

Generally accepted accounting principles require that nonprofit organizations report certain investments at fair value. In accordance with that guidance ALAC accounts for its equity securities that have readily determinable market values by recording and reporting those securities at fair value. Information about the fair value of investments and the unrealized gains and losses is discussed in Note 4.

G. Grants and Contract Revenue Recognition

Revenue from grants and contracts is recognized to the extent of expenses incurred applicable to the grant or contract.

H. Restricted and Unrestricted Revenue

Contributions including unconditional promise to give are recognized as revenues in the period the promise is received. Contributions, bequests, investment income and gains that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions, bequests, investment income and gains are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Interest earned on designated funds is used to support the activities of the designated funds.

I. Bequests

Bequests are recognized as income at the time an unassailable right to the gift has been established and the proceeds are measurable in amount.

J. Donated Materials and Services

Donated services are recognized as contributions in accordance with SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by ALAC. A substantial number of volunteers have contributed significant amounts of time to ALAC. Amounts for these contributed services are not reflected in the accompanying financial statements since the criteria for SFAS No. 116 are not met. Donated materials are reported at fair market value at the date the contribution is received.

K. Income Taxes

ALAC is not a private foundation and is exempt from federal income tax under Internal Revenue Code Section 501(c)(3) and from state franchise tax under Revenue and Taxation Code Section 23701(d).

L. Reclassifications

Certain accounts in the prior year's financial statements have been reclassified to conform with the presentation in the current year financial statements.

M. Comparative Financial Information:

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2007, from which summarized information was derived.

NOTE 2: ACCOUNTS RECEIVABLE - OTHER

A summary of accounts receivable - other is as follows:

	<u>2008</u>	<u>2007</u>
Tuberculosis grants	\$ 118,725	\$ 136,828
Tobacco grants	1,620,959	1,383,685
Asthma grant	143,107	343,152
Contribution receivable	370,000	335,000
Miscellaneous	<u>910,661</u>	<u>340,762</u>
Total	<u>\$ 3,163,452</u>	<u>\$ 2,539,427</u>

The accounts receivable are considered by management to be fully collectable.

NOTE 3: CERTIFICATE OF DEPOSIT/PERMANENTLY RESTRICTED NET SSETS

Redwood received a contribution of \$1,000 from an individual which is permanently restricted and is invested in a certificate of deposit account at a major financial institution. The certificate bears interest of 1.14% and matures on December 16, 2008, with penalties for early withdrawal. Any penalties for early withdrawal would not have a material effect on the statements. Income generated from the investment is available for unrestricted use by Redwood.

NOTE 4: LONG TERM INVESTMENTS

Investments in marketable securities are recorded at fair value and are summarized as follows:

	2008			2007		
	Cost	Fair Value	Unrealized Gain/(Losses)	Cost	Fair Value	Unrealized Gain/(Losses)
Investments:						
Money Funds	\$ 63,182	\$ 63,182	\$	\$ 428,676	\$ 428,676	\$
U.S. Treasury Notes & Bonds				3,109,573	3,099,849	(9,724)
Corporate Bonds	118,231	119,236	1,005	826,582	800,334	(26,248)
Equity funds	<u>9,016,304</u>	<u>9,208,625</u>	<u>192,321</u>	<u>5,014,761</u>	<u>6,473,383</u>	<u>1,458,622</u>
Total	9,197,717	9,391,043	193,326	9,379,592	10,802,242	1,422,650
Investment in San Diego Foundation	28,412	28,412		28,412	28,412	
Sun life financial deferred compensation plan				<u>165,285</u>	<u>165,380</u>	<u>95</u>
Total	\$ <u>9,226,129</u>	\$ <u>9,419,455</u>	\$ <u>193,326</u>	\$ <u>9,573,289</u>	\$ <u>10,996,034</u>	\$ <u>1,422,745</u>

ALAC has investments in the San Diego Foundation, which are classified as permanently restricted as the investments must be maintained in perpetuity. The funds held at San Diego Foundation are invested in a "Balanced Pool" portfolio, which is structured for long term total return. The investments are carried at fair value and totaled \$28,412 at June 30, 2008.

ALAC has a non-qualified deferred compensation plan for the benefit of a former executive director of one of the offices that merged. Contributions to the plan were made as part of the total compensation package for the individual. Contributions are invested in various variable annuity contracts at the direction of the individual and are stated at fair value. The total amount was paid in the year 2008.

NOTE 5: PROPERTY AND EQUIPMENT

A summary of property and equipment is as follows:

	2008	2007
Land	\$ 1,599,135	\$ 1,559,135
Building and improvements	996,459	996,459
Leasehold improvements	777,756	765,458
Office furniture and equipment	1,467,875	1,477,496
Vehicles	<u>423,362</u>	<u>423,362</u>
Total	5,264,587	5,221,910
Less: Accumulated depreciation	<u>(2,394,778)</u>	<u>(2,363,203)</u>
Total	\$ <u>2,869,809</u>	\$ <u>2,858,707</u>

NOTE 6: BENEFICIAL INTEREST IN PERPETUAL TRUST

Valley Lode is one of the residual beneficiaries of a trust agreement dated June 1966. The residual assets in the trust will be held in a perpetual trust after the death of all noncharitable beneficiaries. Income from the trust assets will be distributed to five charitable beneficiaries. The beneficial interest has been valued at fair value.

NOTE 7: LEASE COMMITMENTS

Non-Cancellable Operating Leases

ALAC State Office leases the land, on which it has constructed its building, from the Port of Oakland. The lease runs for 50 years from April 1, 1964 with total payments aggregating \$91,350. Lease payments for the year ended June 30, 2008 were \$1,827.

ALAC leases office space in Sacramento, California. The lease is for 5 years with Association of California School Administrators commencing from October 2007 to December 2012. Lease expenses for the year ended June 30, 2008 were \$35,463.

California Thoracic Society leases office space in Tustin, California. The term of the lease is from August 1, 2006 to July 31, 2009. Lease payments for the year ended June 30, 2008 were \$11,197.

The Bakersfield Office leases office space in Bakersfield, California. The lease period ends in September 2009. Lease payments for the year ended June 30, 2008 were \$37,584.

The Santa Rosa Office leases office space in Santa Rosa, California. The term of the lease is for five years, ending on September 30, 2008 and starting October 1, 2008 on a month to month basis. Lease payments for the year ended June 30, 2008 were \$25,693.

The Superior Office previously leased office space in two separate locations in Chico, California. ALAC combined the two locations on May 1, 2002 by signing a three year lease ending on April 30, 2005, which was subsequently extended for another three years and afterwards to a month-to-month payment. Lease payments for the year ended June 30, 2008 were \$26,898.

The Valley Lode Office leases office space in Stockton, California. The term of the lease is for 5 years, starting October 1, 2002 and ending September 30, 2007. Since October 2007 the Valley Lode Office leases office space in two separate locations in Modesto and Stockton, California. The term of the lease for Modesto office is on a month to month basis \$358.05 payable monthly in advance, starting October 15, 2007. The term of lease for Stockton office is 5 years from November 2007 to October 2012. Lease payments for the year ended June 30, 2008 were \$19,832.

The East Bay office leases space under a lease agreement. Monthly base rent varies due to escalating clauses. The term of the lease is for 5 years, starting on October 1, 2003 and ending on January, 2011. The lease payments for the year ended June 30, 2008 were \$190,714.

The Los Angeles Office leases office space in Los Angeles, California. The term of lease is for 5 years, starting on July 1, 2007 and ending June 30, 2012. The lease payments for the year ended June 30, 2008 were \$70,776.

ALAC leases equipment as follows:

<u>Location</u>	<u>Monthly Payments</u>	<u>Expiration Date</u>
State office	\$ 1,974	September, 2006
Inland	253	March, 2011
East Bay	680	January, 2012
Santa Rosa	239	March, 2001
Fresno	268	November, 2011
Los Angeles	256	December, 2010
Orange	297	October, 2012

Minimum future rental payments under noncancelable operating leases having remaining terms in excess of one year as of June 30, 2008, for each of the next five years and in the aggregate are:

<u>Years Ending June 30,</u>	<u>State Office</u>	<u>CTS</u>	<u>Kern</u>	<u>Los Angeles</u>	<u>Stockton</u>	<u>Inland</u>	<u>Fresno</u>	<u>East Bay</u>	<u>Sacramento</u>	<u>Orange</u>

NOTE 10: PENSION PLAN

ALAC has a non-contributory defined benefit plan covering all employees who meet the eligibility requirements. To be eligible, an employee must be 21 years of age but less than 60 years at hire and have completed one year of service. Plan assets primarily consist of listed securities. Changes in these values attributable to differences between actual and assumed returns on plan assets are deferred as unrecognized gains or losses and amortized in the determination of net pension expense over time. The measurement date used to determine the pension measurements for the majority of plan assets and benefit obligations was March 31 of each year.

The following table, as provided by the Plan's outside administrator, sets forth the Plan's funded status and amounts recognized in ALAC's financial statements at June 30, 2008 and June 30, 2007.

	<u>2008</u>	<u>2007</u>
Change in Benefit Obligation		
Benefit obligation at beginning of year	\$ 3,525,110	\$ 5,534,313
Service cost	372,994	379,196
Interest cost	321,590	297,125

Estimated amortization amount in next fiscal year

Amortization net loss/(gain)	7,490	14,202
------------------------------	-------	--------

Rate of Return on Assets Assumption:

The expected long term rate of return on assets assumption is 8.25%. As defined in FAS 87, this assumption represents the rate of return on plan assets reflecting the average rate of earnings expected on the funds invested or to be invested to provide for the benefits included in the benefit obligation. The assumption has been determined by reflecting expectations regarding future rates of return for the investment portfolio, with consideration given to the distribution of investments by asset class and historical rates of return for each individual asset class.

Investment strategy:

In order to meet its needs, the investment strategy of the Association emphasizes total return; that is, the aggregate return from capital appreciation, dividend income, and interest income.

Specifically, the primary objective in the investment management for the plan is:

Income and growth – To achieve a balanced return of current income and appropriate growth of principal.

The secondary objective in the investment management of assets is:

Preservation of Purchasing Power after Spending – To achieve returns in excess of rate of inflation plus spending over the investment horizon in order to preserve the purchasing power of plan assets.

Additional objectives for the Association are preservation of capital and minimization of costs.

Risk control is an important element in the investment of plan assets and is achieved through a diversified target allocation and the prohibition of investing in derivative instruments, private placements, limited partnerships, and venture capital investments. In addition short selling and margin transactions are prohibited.

Investments in companies that derive their revenue from the manufacture and sale of tobacco products are strictly prohibited.

NOTE 11: ALLOCATION OF JOINT COSTS OF INFORMATIONAL MATERIAL AND ACTIVITIES ASSOCIATED WITH FUND RAISING APPEALS

Included in functional expenses are joint costs of activities, which are allocated as follows:

To program services to the extent they are intended to inform or educate the public concerning respiratory health.

To supporting services including fund raising to the extent they are intended to induce the contribution of financial resources or enhance the image of ALAC.

The following is an allocation of these costs:

	<u>2008</u>	<u>2007</u>
Program services	\$ 1,275,047	\$ 1,556,439
Support services:		
Management and general	353,478	305,973
Fundraising	<u>1,241,383</u>	<u>1,177,324</u>
	<u>1,594,861</u>	<u>1,483,297</u>
Total	\$ <u>2,869,908</u>	\$ <u>3,039,736</u>

NOTE 12: RELATED PARTY TRANSACTIONS:

ALAC carries out the mission of American Lung Association (ALA) in the state of California. Some of the board members of ALAC are also on the Board of the American Lung Association.

ALAC has entered into an agreement with the ALA. ALAC pays 13% of the shareable income to finance ALA office and program activities.

ALAC paid \$339,535 and \$382,466 in shareable income fees for the year 2008 and 2007.

Note: Basis of Presentation

The above schedule of expenditures of federal awards includes the federal grant activity of American Lung Association of California and is presented on an accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Board of Directors
American Lung Association of California
Oakland, California

We have audited the financial statements of American Lung Association of California (a Nonprofit Organization) as of and for the year ended June 30, 2008, and have issued our report thereon dated October 20, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Controller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered American Lung Association of California's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of American Lung Association of California's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of American Lung Association of California's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects American Lung Association of California's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of American Lung Association of California's financial statements that is more than inconsequential will not be prevented or detected by American Lung Association of California's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by American Lung Association of California's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and other Matters

As part of obtaining reasonable assurance about whether American Lung Association of California's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, audit committee, the board of directors, others within the organization, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Patricia A. Aronoff
Oakland, California
October 20, 2008

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

The Board of Directors
American Lung Association of California
Oakland, California

Compliance

We have audited the compliance of American Lung Association of California with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2008. American Lung Association of California's major federal programs are identified in the summary of auditor's result section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of American Lung Association of California's management. Our responsibility is to express an opinion on American Lung Association of California's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Nonprofit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about American Lung Association of California's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of American Lung Association of California's compliance with those requirements.

In our opinion, American Lung Association of California complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2008.

Internal Control Over Compliance

The management of American Lung Association of California is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered American Lung Association of California's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to

determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of American Lung Association of California's internal control over compliance.

A *control deficiency* in American Lung Association of California's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects American Lung Association of California's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by American Lung Association of California's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by American Lung Association of California's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, audit committee, the board of directors, others within the organization, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Pamela A. Assouline

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2008**

SECTION II - FINANCIAL STATEMENTS FINDINGS

No matters were reported.

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

No matters were reported.

**AMERICAN LUNG ASSOCIATION OF CALIFORNIA
STATUS OF PRIOR YEAR FINDINGS
FOR THE YEAR ENDED JUNE 30, 2008**

Finding:

Status:

Fixed Assets:

We could not match details of opening fixed assets with the audit report of prior year.

Implemented

Grant Billing:

Grant documents were not centralized and kept at the state office as per policy. There were inconsistencies in grant billing.

Implemented

Payroll:

We found instances of timesheets not signed by supervisors, missing I-9's and incomplete personnel files.
