

HEALTH PROFESSIONALS FOR CLEAN AIR

Join Local Health Professionals To Protect Air Quality!

WHEN: Tuesday, Oct. 17 • 11:30 am – 1:30 pm (*Lunch Will Be Served*)

WHERE: California Health Collaborative, 1680 W Shaw Ave., Fresno, CA 93711
(Call-in availability)

The American Lung Association in California invites physicians, nurses and other health professionals to learn about key programs and opportunities to advance healthy community planning and zero emission transportation in the Valley. Co-hosted by Drs. Alex Sherriffs, Board Member, San Joaquin Valley Air Pollution Control District, California Air Resources Board, and member, Fresno Madera Medical Society, and Ken Bird, Health Officer, Fresno County Health Department, the meeting will highlight key ways to reduce air pollution and improve lung health for your patients and communities.

AGENDA

- **New!** Opening remarks and Q&A with Fresno Assemblyman Dr. Joaquin Arambula
- Overview of San Joaquin Valley health issues
- SB 375 targets, climate investments and key opportunities for health professional engagement
- Update on clean cars program and opportunities to drive electric vehicles
- Update on US EPA threats to lung health
- Learn how to take action to protect your patients and communities

Seating is limited. Please RSVP by Friday, Oct. 13 to Jenny.Bard@Lung.org
