Please Note: Due to funding shortfalls to the state tobacco prevention program, the American Lung Association in Colorado is not currently able to provide funding for school grants (i.e., facilitator stipends or reimbursements, or money for lunches). Despite programming cuts, participant incentives and program materials are available and ready for mailing. Please let us know how we can support you through your program implementation in SY 2018-2019 by contacting notcolorado@lung.org.
